Suggestions for Improvement:	Student relationships are very good. The kiddos really like Shaylynn, and were disappointed that she wouldn't be here for Valentine's Day. SHe is very easy to get along with and takes suggestions well. The only thing that I would like to see is the lesson plans in the day before.
Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
General Comments:	As I said before, the students really like her and she is easy to work with. Shaylynn has some excellent ideas!
